

Essential to care™

Cardinal Health brings scaled solutions that help customers thrive in a changing world.

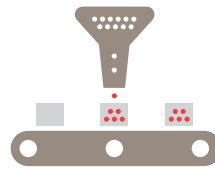

Headquartered in Dublin, Ohio, Cardinal Health is a global, integrated healthcare services and products company, providing customized solutions for hospital systems, pharmacies, ambulatory surgery centers, clinical laboratories and physician offices worldwide. The company provides clinically proven medical products and pharmaceuticals and cost-effective solutions that enhance supply chain efficiency from hospital to home.

Cardinal Health connects patients, providers, payers, pharmacists and manufacturers for integrated care coordination and better patient management.

Cardinal Health's strength as a company flows from four areas of expertise: logistics, product, business and patient solutions. However, Cardinal Health is more than a business, more than a partner, more than hard workers. It's Wings. Cardinal Health welcomes new challenges, anticipate trends, and as Wings, brings support, speed, and mile-high vision to all customers.

We serve more than 24,000 pharmacies.

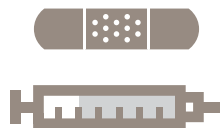

We manufacture or source nearly 9.5 billion individual consumer healthcare, home medical and over-the-counter products each year.

We're in nearly 85% of U.S. hospitals.

We support more than 40,000 physician offices nationwide.

We serve more than 2 million patients with nearly 50,000 home healthcare products.

We serve more than 7,500 specialty physician offices and clinics.

We provide more than 72,000 laboratory products to more than 5,800 labs.
