Astound® Surgical Gowns

The industry's #1 choice for value.

In 2008 alone, more than 14.4 million Astound® surgical gowns were sold in the U.S.¹ With their outstanding quality and industry proven reputation, it's easy to see why.

- **Protection**

Astound® surgical gowns offer exceptional barrier protection. The standard and fabric-reinforced gowns have an AAMI Level 3¹ classification and the Astound® impervious-reinforced gowns, an AAMI Level 4.² The lightweight fabric combined with the remarkable durability makes Astound® an outstanding value over the competition.

- **Industry Proven**

One out of every three gowns sold in the industry is an Astound® surgical gown, making Astound® the #1 choice of industry professionals everywhere.
