

Click and carry containers... make specimen transport a snap

Your lab needs options and quality products at a cost-effective price. With Cardinal Health, you can have it all.

Exclusive to Cardinal Health, FormClick™ Prefilled Formalin Containers provide a convenient way to collect, transport and store specimens. The leak-resistant seal with audible “clicking” sound assures the user of a complete closure. The secure seal helps to preserve sample integrity and reduce the risk of accidental infection. Available in two sizes with different locking mechanisms. The 60mL container features a double click; the 20mL a single click.
