

# A stretch above the rest

Designed to meet the varying needs of patients and healthcare professionals, Cardinal Health™ elastic bandages deliver consistent stretch, compression and support.

## Elastic bandages with self-closure

- Ideal for low compression
- Easy-to-use self-closure at both ends
- Knit design offers strength, comfort and breathability
- Cotton/poly blend yarn offers excellent elasticity and fit
- Bandage ends are color coded by width for easy visual identification
- Individually wrapped; sterile bandages are provided in a peel-pouch
- Sterile and non-sterile options
