

# Protection. Quality. Performance.

**All these things matter when it comes to providing care to your patients.**

Cardinal Health Exam Room Paper Products are no exception. Designed for reliable infection barrier protection, our offering meets the requirements and specifications of your healthcare setting. Helping to ensure protection and making care for patients simple and convenient.

Cardinal Health Exam Room Paper Products

# Cardinal Health Exam Table Paper

**A durable line of protection against cross contamination, our high-quality table papers come in two different sizes per type as well as surface texture options.**

- Crepe exam table rolls are textured for added strength, more absorbency, softness and quietness.
- Smooth exam table rolls are made of high-quality pulp, ensuring its inherent strength and a whiter, brighter appearance.
- Our poly-backed table paper resists soak-through for maximum protection and can also be used as a protective liner for countertops and scales.

## Cardinal Health Disposable Bedding and Supplies

Our line of disposable bedding is designed to protect mattresses and pillows from soiling and cross contamination. Tissue/poly sheets are ideal for patient and stretcher coverage as well as absorbency. Drape sheets offer comfort, modesty and coverage.

### Drapes

Tissue bonded into one layer of softness for undeniable comfort and absorbency.

### Tissue/poly sheets

The tissue layer absorbs the fluids while the poly layer offers a fluid barrier protection.

### Pillowcases

Soft tissue outside for patient comfort with a hygienic barrier protection.

### Towels

Three layers of tissue bonded into one layer of softness. For use in a variety of applications.
