

Cornerstone Rheumatology™ GPO

Solutions for rheumatology practices

Your specialty is rheumatology.
Our specialty is **you**.

Cornerstone Rheumatology™ GPO is exclusively dedicated to serving rheumatology practices like yours. From delivering access to education and expertise to tailored solutions we're helping rheumatology practices achieve continued success, maintain independence and navigate the future.

 **Comprehensive product portfolio:** As one of the largest rheumatology focused GPOs, Cornerstone Rheumatology™ GPO helps members optimize their purchasing power by providing access to a broad range of competitive contracts, discounts and rebates on medications.

 **Inventory management:** Optimize your medication purchases and storage with Inventory Management Solutions, a web-based, easy-to-use platform that helps you automate manual processes and streamline your operations so your practice can run more efficiently.

 **Analytic insights:** Advanced Practice Analytics provides dashboards that combine clinical, financial and operational data to uncover actionable insights about your practice.

 **Networking and educational forums:** Share best practices with your peers and stay up to date on regulatory and policy changes.

 **Dedicated account manager:** Receive personalized support for all your GPO and account management questions.

Exclusive distribution through Metro Medical™ Distribution Services

Close, highly collaborative GPO-distributor relationships are key to ensuring accurate, on-time delivery of your products — and they're also critical to ensuring you receive accurate, real-time data about your practice's contract performance.

With distribution centers in Nashville, Tenn. and Reno, Nev., the Metro Medical™ nationwide distribution network is tailored to the unique handling, storage and shipping needs of specialty pharmaceuticals and medical-surgical products.

We're ready to help your practice navigate the future of rheumatology care. Become a Cornerstone Rheumatology™ GPO member today at no cost.
