

# 340BDirect<sup>®</sup> implementation timeline

Depending on your current 340B status, the time it takes to implement 340BDirect<sup>®</sup> can vary greatly. Make sure you review the following steps below:

## 1 Pharmacy requirement checklist:

- Complete interest form and return to **340BDirect@cardinalhealth.com**
- 340BDirect<sup>®</sup> will reach out to pharmacy for program introduction
- Complete 340BDirect<sup>®</sup> questionnaire
- Sign 340B Network Agreement
- Complete data authorization (if needed)

## 2 Renegotiation and prospecting:

- 340BDirect<sup>®</sup> renegotiates existing covered entity contracts (if applicable)
- 340BDirect<sup>®</sup> to identify new Covered Entity contracting opportunities

## 3 Registration:

- If a new covered entity contract is executed, it must be registered with OPA\* (existing relationships do not require registration)

**If registration is required, you must register during these periods:**

**Contract start dates:**
