Kangaroo™ Joey Enteral Feeding Pump
User Guide (Feed & Hydration Mode)

Pump set loading procedure

1. Locate power button on lower right hand corner of control panel. Press to turn pump on.
2. Confirm if you want to KEEP or CLEAR any prior pump settings.
3. With pump display facing you open blue door at top of pump.
4. Grasp finger tab on valve and insert valve into valve slot on the left.
5. Grasp black ring retainer, and gently wrap tubing anti-clockwise around rotor. Pull up retainer and insert into slot.
6. Close blue door. Display should read SET LOADED.

Power down procedure

Locate power button on lower right hand corner of control panel. Press and hold power button until the pump displays turns off.
